WORK EXPERIENCE

KGOU, Norman, OK. – Student Worker/On-air Host

June 2024 - December 2024.

Created various news segments, including researching and selecting local news documents to report on, prerecording segment audio, and broadcasting the audio segments. Was also in charge of reorganizing the music library, documenting library data, and adding or removing music.

OU: Sooner Vision, Norman, OK – Jib-Cam Operator/Technician

August 2023 - November 2024

Was in charge of preparing the jib camera for game days, which included ensuring the camera was in proper working condition, connecting the camera to the broadcasting system, and modifying for current game conditions. Operated jib camera for game days, including live broadcasting of the student section and field.

NGP, OKC, OK – Intern

August 2021- December 2021

Worked in the warehouse, maintaining the quality of camera equipment by cataloging inventory, damaging out returned goods, and restocking returned camera equipment. Also assisted in closing down the warehouse, and powering down electrical equipment.

The Mont, Norman, OK – Busser/Waiter

May 2020 - July 2021

Helped seat and prepare customers for their tables. Recorded orders and delivered food to corresponding tables in rotation. I was also responsible for maintaining the cleanliness of tables and surrounding dining areas.
